WELCOME TO OUR LOCATION

Historical industrial flair meets modern design: In one of our most beautiful locations near the Rhine we realize your event with up to 199 people.

"The New Yorker HARBOUR.CLUB" combines harbour flair, industrial history and design under one roof. Cool, individual and unique in Cologne.

Large mirror elements, a kiln converted into a fireplace and imposing chandeliers are just a few examples that impressively highlight the 600 square meters.

CRYSTAL, FURNACE and ANCHOR - three fascinating rooms form the ideal setting for your event, and can be used individually or in combination. Here you can organize **conferences, weddings, Christmas parties, TV productions and more!**

Whether it's catering, technology, decoration or planning: our motivated event team, together with our preferred partners, is at your side and will make your event an unforgettable experience.

Bonus for you: "**The New Yorker Hotel**" is located directly opposite the location and offers more than 40 stylish overnight accommodations.

The HARBOUR.CLUB is part of the privately managed brand "**The New Yorker | COLOGNE**". In addition to two design hotels – near fair and city center – this also includes a boarding house with 17 apartments.
